SPONSORING BUSINESS SIGN-UP FORM

The Savage Arts Council, in partnership with participating businesses, is pleased to offer the first Scott County Art Crawl. This event is designed to provide local artists the opportunity to display and sell their art to a broad audience of buyers, and offer local businesses the opportunity to support art in the community.

The Scott County Art Crawl can help your business in a number of ways:

- Increase traffic with potential high-income buyers.
- Gain advertising exposure through Art Crawl marketing materials.
- Demonstrate community involvement and support for the area artists.
- Leverage the event for your business promotions, e.g. special menu items.

In order to ensure a successful event, each sponsoring business is responsible for the following:

- Actively promoting the event using the brochures, posters, and signs provided and cross-promoting in your normal marketing activities.
- Contacting the artist(s) assigned to your business to coordinate their logistical needs. The artists will bring their own display equipment, unless you can easily provide for them, e.g. tables, chairs.
- Provide feedback on our post-event survey.
